

High School Student Participation in Dual Enrollment

Participation in Dual Enrollment/Dual Credit programs eases the transition from high school to college, provides students an early start to their

college careers, and offers meaningful and challenging academic experiences to qualified students, including those who might not otherwise have access to early college opportunities.

Dual Enrollment may help increase the number of high school graduates who are both college and career ready.

Approved courses must count toward state and/or local high school graduation requirements.

Dual Enrollment information should be provided to all 8th through 11th grade students and parents by April 1 of each school year.

Georgia's Dual Enrollment/ Dual Credit Programs for High School Students

Dual Enrollment/Dual Credit courses provide opportunities for Georgia high school students to take college-level courses and earn concurrent credit toward a high school diploma and a college degree.

Dual Enrollment/Dual Credit courses are primarily available for any eligible 11th or 12th grade (in some limited cases 9th-10th) high school students. They may enroll full-time or part-time in approved credit-bearing college-level courses by the State Board of Education. Courses may be taken before, during or after regular school hours, on the college campus, on-line or at the high school during the regular school calendar year.

What are Dual Enrollment/Dual Credit Programs?

Dual Enrollment/Dual Credit programs provide opportunities for Georgia high school students to take college-level courses and earn concurrent credit toward a high school diploma and a college degree while still in high school.

Dual Enrollment/Dual Credit Programs in Georgia

Accel

... is a non-need based program offered for students that wish to take college-level (academic-only, degree-level) coursework for credit toward both high school and college graduation requirements. The Accel Program became state funded instead of lottery funded beginning fall 2011 with funding returning for the local systems for their dual enrolled students. Students may attend part-time or full-time.

www.gsfc.org/gsfnew/SandG_regs_2011.cfm

Dual HOPE Grant

...is a non-need based grant program for students seeking technical certificates or diplomas from the Technical College System of Georgia's institutions. Students may attend part-time or full-time. Beginning fall 2011, funding was returned to local systems for Dual HOPE Grant students.

Move On When Ready

...requires an eligible 11th or 12th grade student to be full-time and take ALL of his or her courses through an eligible postsecondary institution. Students receive secondary and college credit for completing graduation and high school diploma requirements.

www.gadoe.org/Curriculum-Instruction-and-Assessment/CTAE/Pages/Transition-Career-Partnerships.aspx

Articulated Credit

...refers to credit that students are awarded by both the high school and the post-secondary institution when they have successfully completed identified academic and career related courses leading to a diploma, certificate or degree. Selected statewide articulated course assessments will be available in the near future. Through an articulation agreement, institutions agree to aid in a seamless transition without repetition of course work already mastered in high school. There are no costs for participation since the work is high school courses taught at the local high school, during their normal school day with their regular high school teachers.

Early College

...is a partnership between a designated local school system and University System of Georgia institution. There are currently several Early Colleges in Georgia. Students can earn a high school diploma and coursework toward an Associate's or Bachelor's degree.

www.gaeearlycollege.org/

Gateway To College

...is located exclusively on a college campus and is site specific through local agreements between local school systems and colleges.

www.gatewaytocollege.org/partner_programs.asp

Residential Programs

...are offered for gifted, talented, and motivated students through the University System of Georgia at two institutions:

- The Advanced Academy of Georgia on the campus of the University of West Georgia
www.advancedacademy.org/
- The Georgia Academy of Mathematics, Engineering and Science at Middle Georgia College
