

AM.020.073 – RUNNING LOAD DEPR REPORTING TABLE - YEARLY

Purpose	<ul style="list-style-type: none"> Define what the Load Depreciation Reporting Table process does. Identify what the Load Depreciation Reporting Table stores. Run the Load Depr Reporting Table – Yearly process.
Description	<p>This topic demonstrates how to run the Load Depreciation Reporting Table process on a yearly basis. After the Depreciation Calculation process is run, the Load Depr Reporting Table process is run to generate cost and depreciation reports.</p> <p>This table stores life-to-date and year-to-date depreciation amounts. Use this process to complete this at the beginning of the year. For more information regarding newly created open transactions each month, see AM.020.072, Load Depr Report Table – Monthly.</p>
Security Role	BOR_AM_DEPRECIATE
