

AP.020.210 – DELETING CONTROL GROUPS

Purpose	<ul style="list-style-type: none"> To delete the individual vouchers in a control group. To delete a control group.
Description	<p>Voucher Control Groups are groups of vouchers that are processed together for a specific control or verification purposes.</p> <p>After a control group is created, assigned to an employee, and the vouchers entered, users can review and verify the data in a control group. During a review of the groups, users may see an error in one of the groups, in which case the control group may need to be deleted.</p> <p>Use the Delete Control Group page to delete group IDs. Two likely reasons for deleting a control group are the organization no longer wants to track the control group, or a control group was inadvertently entered.</p>
